Happy new year team! Attached are the signature pages and finals of the Amendment and its Exhibits. I will check in now with folks in R5 to determine if there is time to get this signed today or if we can wait until next week.

Subject: Washington Works - First Amendment to Order on Consent

Folks –

I am attaching the final version of the First Amendment to Order on Consent, executed signature pages for Chemours and DuPont, the final version of the Model Water Treatment Plan and the final version of the Scope of Work for Supplemental Sampling Activities. Please let us know when EPA has executed the First Amendment to Order on Consent and what the official “effective date” of the amendment will be.

It has been a long process to get to this point and I appreciate your time and efforts in helping to make that happen.

Happy New Year!

Michael
